To the Superintendent of the Mint,

Philadelphia, Pa.

Dear Sir:-

The Industrial Fair, to be opened October 1st, would very much like to obtain for exhibition as complete a collection as possible of old coins, something like yours in the Mint, though of course such an one cannot be obtained any where, ^{and} it occurs to me that you may know of some Philadelphia party who has a collection, ~~valuable~~, that he would rent to us if we would give him a bond of indemnity against loss or injury and I shall thank you if you will kindly give me the name of the owner of such collection if you happen to know of one.

Very Respectfully Yours,

J. P. Kohler
Superintendent.
